Call for Paper

Welcome to the 4th International Conference on Informatics, Electronics & Vision (ICIEV), <http://cenenser.org/ICIEV>, 15~18 June, 2015 in Kitakyushu, Fukuoka, Japan! ICIEV provides vibrant opportunities for researchers, industry practitioners, & students of CSE/EEE/IT/Physics/Statistics/... to share their research results on Computer, IT, Informatics, Electronics, Computer Vision & related fields. Similar to earlier conferences, ICIEV15 will have a number of distinguished scholars as keynote/invited speakers.

Technical Co-sponsor: IEEE Computer Society; IEEE TCMC; IEEE ComSoc TC-CSR; The Institute of Electrical Engineering of Japan (IEEJ); IEEE Kansai Section; Human Interface Society

Technical Sponsor: IEEE CIS Task Force on Fuzzy Logic in Medical Sciences; The Institute of Mobile of Japan; Japan Ergonomics Society; JES TC on Maritime Ergonomics (MaE); Japan Institute of Navigation (JIN). Similar to ICIEV12/13/14, ICIEV15's papers will be archived in **IEEE Xplore DIGITAL LIBRARY**.

ICIEV14: was Technically Co-sponsored by the IEEE Computer Society; IEEE Communications Society; IEEE Technical Committee on Pattern Analysis & Machine Intelligence (TCPAMI); IEEE Technical Committee on Multimedia Computing (TCMC); IEEE SMC Technical Committee on Human Centered Transportation Systems (HCTS); Society of Instrument and Control Engineers (SICE); Institute of Control, Robotics and Systems (ICROS); Co-sponsored by The Optical Society (OSA); Organized by the Center for Natural Science & Engineering Research (CNSER); Endorsed by the IEEE Technical Committee on Communications Switching and Routing (TC CSR).

ICIEV13: was Technically Co-Sponsored by IEEE Computer Society; IEEE Technical Committee on Pattern Analysis and Machine Intelligence; Society of Instrument and Control Engineers (SICE); Institute of Control, Robotics and Systems (ICROS); Sponsored by The Optical Society (OSA).

ICIEV12: was Sponsored by OSA; Technically Co-Sponsored by IEEE ComSoc BD chapter; Endorsed by Intl. Association for Pattern Recognition (IAPR).

Keynote Speakers: Anton Nijholt (University of Twente), Matthew Turk (University of California, Santa Barbara), Shinichi Yoshiya (Hyogo College of Medicine), Kazunori Fujise (Luncheon Speaker) (... more to add)

Please kindly inform others to make it better!

Topics of Interest (not restricted to):

Computer Vision, Image Processing, Pattern Recognition	Computer Networking, Communication Systems
Machine Learning, Medical Image Processing	Information Theory, Mobile Computing
Medical Informatics, Human-Computer Interaction	Antennas and Wireless Propagation
Remote Sensing & Geosciences	Electronics, Electronic Systems
Biomedical Systems, Applications in Medicine	Circuits and Systems, Industry Application
Robotics & Mechatronics, Automation & Control Systems	Sensors & Embedded Systems
Biometrics, Intelligent Transportation Systems	VLSI, Nanotechnology
Vehicular Electrotechnology, Cybernetics	Informatics & IT, Computer & Information Systems
Computational Intelligence, Soft Computing	Multimedia, e-Governance
Fuzzy systems, Signal Processing	Educational Technology, Engineering Education
Electron Devices, Optoelectronics & Photonics	Technology's Impacts on Society
Renewable Energy, Photovoltaics	Engineering in Biology & Health Science
Smart Grid and Sustainable Energy, Nuclear Energy	Technology Management, Software Engineering
Environmental Engineering and Green Technology	High-Performance Low-Power Computing
	Cloud Computing, Engineering for Unreached People

Special Sessions: 15+ Special Sessions: <http://cenenser.org/ICIEV/workshop.html>

Important Dates:

FINAL: 4~6 pages paper in IEEE format:	15 March, 2015
Proposal for Special Session/Tutorial:	31 December, 2014
Review result:	15 April, 2015
Final camera-ready / Exhibition submission / Graduate consortium:	25 April, 2015
Early-bird Registration:	25 April, 2015
Conference date	15~18 June, 2015

VENUE: KITAKYUSHU INTL. CONF. CENTER, FUKUOKA, JAPAN. Kitakyushu city is a wonderful city with natural varieties & beauty. Hiroshima, Nagasaki, Beppu, Yamaguchi, etc. are ~hour by train. Enjoy your time in Kitakyushu & Japan during your stay with ICIEV.

International Journal of Computer Vision & Signal Processing <http://CenNSER.org/ijcvsp>
International Journal of Electronics & Informatics <http://CenNSER.org/ije>
International Journal of Intelligent Computing <http://wacong.org/icmed/>
International Journal of Environment <http://benjapan.org/IJE> (more to add)

- ♥ **Special Journal Issues** will be published in journals from selected papers!
- ♥ **Book Series** to be published in good publishers from selected papers (on process).
- ♥ Some scholarships will be for Bangladeshi authors.
- ♥ Very cheap ticket (both-ways) by China Eastern Airlines (even within 37,000 BDT).
- ♥ Postgraduate Dissertation Colloquium will be held for Postgraduate students.
